TAKE A WALK THROUGH THE PEACEFUL FORESTS

How many times have you walked through a peaceful forest, breathed in the fresh crisp air and listened to the sound of the wind playing with the leaves, thinking that this is a memory you want to keep? UIMAGE aims to make sure that its customers can keep this picturesque image close to their hearts and into their homes with the Acorn family of lampshades.

Inspired by the humble acorn, the pendant light offers a warm glow, perfect for living rooms or kitchens, bathrooms and bedrooms. The Acorn's visible decorative bulb emits a calming light through the glass lampshades. Whether you prefer an industrial look or something more classic, the Acorn looks delightful in cluster above a breakfast bar or dining table, or solitarily lighting a cosy corner.
